

NATD Objectives

The objectives of NATD are:

- To professionally represent, direct and promote the entertainment industry through its members and to suggest ethical guidelines and standards by which this may be done.
- To maintain awareness by circulating information of value to members, their clients and buyers.
- To develop and maintain liaison with local, national and international organizations in related fields.
- To provide opportunities for fellowship and professional interaction through regular meetings.
- To create professional, educational programs and opportunities for its members.
- To provide such related services which promote the advancement of the association as directed in the By-laws of NATD.
